and toxicity in cancer

IMMUNO-model Second Annual Conference:

From Pre-clinical Models to the Search for Biomarkers in Immuno-Oncology

13th*, 14th and 15th May 2024, Bratislava, Slovakia

INVITATION

We are pleased to invite you to the **IMMUNO-model Second Annual Conference “From Pre-clinical Models to the Search for Biomarkers in Immuno-Oncology”** to be held on 14th and 15th May 2024 in Bratislava and online: <https://immuno.sav.sk/general-information/program/>.

The conference will present innovative experimental models that bridge the gap between laboratory research and clinical application, offering insights into the intricate interactions among the immune system, tumor microenvironment, and immunotherapy interventions. Attendees will have the opportunity to share their latest research, address challenges, and explore innovative strategies for advancing immunotherapy research to expedite the translation of experimental findings into clinical practice.
